Italian lifestyle at URBAN LOFT Berlin: reopening of BACiO della MAMMA in Chiosco style

BERLIN/COLOGNE, 25. September 2023 – Dolce Vita to the power of four: after Lucerne, Davos and Munich, the fourth BACiO della MAMMA is about to open in the German capital. The new Chiosco-style dining experience is part of the URBAN LOFT Berlin and takes guests on a culinary journey to Mediterranean climes.

The gastronomic brand BACiO della MAMMA is inspired by Roman cucina and was developed within the Althoff Hotels' own ranks. Three restaurants have opened in the AMERON Collection portfolio since 2020. Designed in the style of a cozy trattoria, they are very popular with hotel guests and locals alike.

Italian comfort food in Berlin

The latest BACiO outlet at URBAN LOFT Berlin brings a Mediterranean flair to the rapidly developing Heidestraße quarter not far from the main railway station. It is designed as a Chiosco & Bar and is located in the "Open Space" area, the heart of the building. URBAN FOOD here now means "Pinsa e altro" - the finest Italian ingredients combined with a love of cooking. The menu includes a small but fine selection of Mediterranean delicacies such as pinsa romana, antipasti, insalata and sweet desserts.

The Chiosco invites you to enjoy and linger in various seating areas: whether in the spacious loft, on the beautiful outdoor terrace in the quiet inner courtyard or on the rooftop with a view over the city of Berlin. Guests order their food and drinks from the team at the bar or from digital self-service machines. The bar offers Italian aperitivo specialties as well as drinks with local ingredients.

Benedikt Jaschke, COO of Althoff Hotels, comments on the development: "At URBAN LOFT, local meets cosmopolitan and we are delighted to present the Chiosco concept of BACiO della MAMMA here in Berlin for the first time. It fits perfectly with this young hotel product, which has made many friends thanks to our host Alex Musy and his great team. The open concept reflects our intention to create a meeting place not only for our hotel guests, but also for the neighborhood."
